PART 1 (45-50 Minutes)

1. Customer Loyalty

Ask:

> Which customer is more valuable?

- Finding a new customer?
- Keeping an existing customer?

Explain:

It costs approximately **5-7 times more** to acquire a new customer than to retain an existing one.

Marketing doesn't stop after the sale.

2. Why Customer Feedback Matters

Explain:

Customers tell us:

- what they liked
- what they disliked
- what should improve
- if they would recommend us

Without feedback:

We guess.

With feedback:

We improve.

Create a TikTok Business account.

Complete profile.

Create one Google Form.

Create one customer satisfaction survey.

Create a content calendar for one week.

Record one TikTok video.

Practical Assignment

Imagine you own a company that sells used laptops in Kosovo.

Your tasks are:

1. Create a professional TikTok Business account.
2. Write a compelling bio with contact information.
3. Design a Google Form to collect customer satisfaction feedback.
4. Plan a one-week content calendar with one post idea per day.
5. Record (or script) a 30-second TikTok video promoting one laptop.
6. Explain how you would repurpose the same content for Facebook, LinkedIn, and Instagram.

End-of-Class Discussion Questions

1. Why is customer feedback valuable for a business?
2. Name three advantages of Google Forms.
3. What makes a TikTok video more likely to go viral?
4. Why is watch time more important than follower count on TikTok?
5. How can one piece of content be reused across multiple social media platforms?
6. What are three ways a business can build customer loyalty after making a sale?
